## Cookies Corner

- Have fun shaping cookies and decorate them the way you like it. Get mummy and daddy to help and once you're done, we'll bake the cookies to perfection. Enjoy it freshly baked when it is ready!

## Pizza Corner

- You'll get to use small pieces of dough that we have prepared and learn how to apply the right amount of sauce. Sprinkle the toppings before we help you to bake them. A yummy lunch is just minutes away!

## Sandwiches Corner

- Now that you're done with cookies and pizza, prepare small moulded sliced breads and spread it with our all time favourite egg mayo or tuna. Top it with farm fresh vegetables and serve mummy and daddy!
